General information

During drop off/pick up times

Drop off: 9:00–9:30 / Pick up: 17:00 – 17:30

✓ We kindly ask you to respect these times; we are unable to welcome you before 9:00am, even when we are in the room, we will be setting up and preparing the day. At this time we can't look after your children.

✓ Please have in mind that on the first day we will need some extra time to check all your information out and welcome your children.

✓ When you arrive, your children will need to place their small backpack where teachers indicate you. We will give him/her a name tag and then he/she will join to the circle in the playroom.

✓ Please note we will have to charge a cost of 20€ per half an hour if you are more than 10 minutes late after pick up time.

✓ Please inform us in the morning if anyone other than yourself is picking up your child. We hope you understand we cannot give your child to anyone else but you or the designated other pick up person.

Our Camp's Philosophy

Before & during the camp

Children want and need ground rules to feel secure. Therefore every morning we will talk with children about our agreements and rules to have fun together. We recommend you to have a gentle and relaxed conversation about these at home before the camp, it will help your child to feel more comfortable and therefore, to all children.

If this is the first time in a Camp, please talk to your child at home about what the camp's about, explain the schedule, general rules, and that you will be picking him/her later on the day.

We will do our best to offer your children a happy and safe day, if after have applied different strategies we could not manage him/her to fully enjoy, we will call you to pick him/her up.

If you think we need to know any information about his/her behavior/preferences in advance, please let us know if advance so we can keep extra attention.
